PART I.

IMPORTANT GOVERNMENT ORDERS.

CHIEF SECRETARIAT.

B. T. Course in the Mysore University.

READ—

Government Order No. E. 728-30—Edn. 283-19-3, dated 20th July 1920, approving among other matters, the proposal of the University to start a Post Graduate Course in teaching with effect from 1st July 1921.

2. Letter No. 10353, dated 18—19th March 1925, from the Registrar, Mysore University, regarding the institution of the Teaching Faculty in the Mysore University.

ORDER NO. E. 274-75—EDN. 181-24-5, DATED 24TH JULY 1925.

In their order dated 20th July 1920 read above, Government approved of the opening of a Post Graduate Course in teaching from 1st July 1921 as a department of the Maharaja's College, Mysore. Subsequently, while passing orders on the Budget Estimates of the University for the year 1921-22, the opening of the B. T. Course was ordered to be postponed for want of funds and the provision made therefor omitted.

2. The Registrar, Mysore University has now stated that a Special Committee appointed by the University Council having submitted an estimate of expenditure to be incurred in connection with the opening of the B. T. Course, a sum of Rs. 13,000 (as against Rs. 23,000 recommended by the Committee) was included in the draft budget of the University for 1925-26.

3. Government are therefore pleased to direct that the B. T. Course may be opened from the current academical year in the Mysore University with the establishment and other charges as indicated below, the cost during the year being met from the provision made for the purpose in the current year's University Budget:—

High School at Nanjangud.

READ—

Government Order No. E. 5350-3—Edn. 218-22-15, dated 8th March 1923, laying down a programme of development of High Schools in the State.

2. Correspondence ending with letter No. H. C. 283—24-25, dated 6th June 1925, from the Inspector-General of Education regarding the opening of a High School at Nanjangud.

ORDER No. E. 327-32—EDN. 80-24-18, DATED 28TH JULY 1925.

The opening of a High School at Nanjangud is included in the programme of development of High Schools in the State laid down in Government Order dated 8th March 1923 read above. Representations were made at the various Sessions of the Representative Assembly urging the necessity of opening a High School at the place but no action could be taken till now for want of funds. The Inspector-General of Education recently reported that the demand for a High School at the place has considerably increased and that the people of Nanjangud and the adjacent taluks have shown great keenness in the matter as is evidenced by the fact that a sum of Rs. 10,000 has already been secured towards the construction of a building for the school and that it is possible to secure Rs. 3,000 more as soon as definite steps are taken to open the school. The District Inspector of Education, Mysore, is also stated to have reported that the Municipal Council at Nanjangud are prepared to place at the disposal of the Education Department a suitable site measuring over 10 acres for constructing a building for the High School and also to bear the rent for a building to be taken up for locating the school pending construction of a separate building. In these circumstances, the question of opening a High School at the place was reserved for consideration in connection with the budget for 1925-26 and a sum of Rs. 8,000 was provisionally included in the budget for a new High School.

2. The opening of a High School at Nanjangud is reported to involve ultimately a recurring expenditure of Rs. 16,828 per annum exclusive of a house rent of Rs. 150 per mensem to be met by Government from the year 1926-27 onwards till a Government building is constructed for the School. The non-recurring grant for the school building is estimated at Rs. 37,000 exclusive of the public contribution of Rs. 13,000. The Inspector-General however, states that, as only the IV Form class is to be opened for the present, the expenditure during 1925-26 may be reduced to Rs. 10,624 (Rs. 6,324 recurring against an average of Rs. 7,944 per annum and Rs. 4,300 non-recurring) and that the excess expenditure of Rs. 2,624 over and above the budget provision of Rs. 8,000 for an additional High School may be met by reappropriation of budget grants for the years as shown below :—

Rs. 1,000 out of the provision of Rs. 15,000 for equipment of Science Laboratories.

Rs. 1,624 from the allotment of Rs. 10,000 for additional requirements of High Schools.

3. Having regard to the urgent need for a High School at Nanjangud, Government are pleased to accord sanction to the opening of the IV Form High School class at the place from the commencement of the current academical year with the scale of establishment and other charges as shown in the statement appended. The cost during 1925-26 will be met as indicated above.

4. The Inspector-General is requested to take early steps for the construction of a building for the High School in consultation with the Chief Engineer, the Deputy Commissioner, Mysore District and the President of the Nanjangud Municipal Council.

B. RAMASWAMAIYA,
Offg. *Chief Secretary to Government.*

High School at Tirthahalli.

READ—

Government Order No. E. 5350—Edn. 218-22-15, dated 8th March 1923, laying down a programme of development of High Schools in the State.

2. Correspondence ending with letter No. H. C. 689—24-25, dated 29th June 1925, from the Inspector-General of Education in the matter of opening a High School at Tirthahalli, Shimoga District.

ORDER No. E. 333-36—EDN. 80-24-19, DATED 28TH JULY 1925.

The opening of a High School at Tirthahalli in the Shimoga District was included in the programme of development of High Schools in the State, as it was considered necessary to open a High School at the place in view of the sparsity of population and other peculiar conditions of the Malnad.

2. In passing orders regarding the revision of the Malnad Improvement Scheme, Government also observed that the question of providing additional educational facilities in the Malnad was one of the problems requiring immediate consideration and accordingly directed that the next three years' programme should include the opening of a High School at Tirthahalli. As the provision of Rs. 8,000 made in the current year's budget was intended to be utilised for opening a High School at Nanjangud, strong representations were made in the last budget session of the Representative Assembly that the special claims of Tirthahalli should be consi-
